FUNNY JOKES

Jokes for fun!

PREFACE

Wikipedia: "Joke is a display of humour in which words are used within a specific and well-defined narrative structure to make people laugh and is not meant to be taken seriously. It takes the form of a story, usually with dialogue, and ends in a punch line. It is in the punch line that the audience becomes aware that the story contains a second, conflicting meaning. This can be done using a pun or other word play such as irony, a logical incompatibility, nonsense, or other means."

In recent days, I read many jokes and collected some funny jokes. Since they have been collected, it is a good idea to put them together and sharing with others, it is the reason I write this book. Jokes can let you laugh in your busy life.

001 Thanks dad

The boss called one of his employees into the office. "Rob," he said, "you've been with the company for a year. You started off in the post room, one week later you were promoted to a sales position, and one month after that you were promoted to district manager of the sales department. Just four short months later, you were promoted to vice-chairman. Now it's time for me to retire, and I want you to take over the company. What do you say to that?" "Thanks." said the employee. "Thanks?" the boss replied, "Is that all you can say?" "I suppose not," the employee said, "thanks dad."

002 Ready in a minuted

Charles was getting annoyed and shouted upstairs to his wife, "Hurry up or we'll be late." "Oh, be quiet," replied his wife, "haven't I been telling you for the last hour that I'll be ready in a minute?"

003 Turned the big fan off

A blonde was taking helicopter lessons. The instructor said, "I'll radio you every 1000 feet to see how you're doing." At 1000 feet, the instructor radioed her and she said she was doing great. At 2000 feet, she said she was still doing well. Right before she got to 3000 feet, the propeller stopped, and she twirled to the ground. The instructor ran to where she landed and pulled her out of the helicopter. "What went wrong?" The blonde said, "At 2500 feet, I started to get cold, so I turned the big fan off."

004 Going to Jamaica

There's this blonde. She gets on a plane and sits in the first available seat. The flight attendant is coming around checking tickets. She looks at the blonde woman's ticket and tells the blonde, "Ma'am you can't sit here, your ticket says coach and this is first class. Please move to the back of the plane." The blonde replies, "I'm a blonde, I'm smart and have a good job. I'm not moving until the plane arrives in Jamaica." So the flight attendant, now hot under the collar at the blonde's response, goes to another flight attendant and tells him what happened. So he goes up to her and asks her to move to the back of the plane. She then responds, "I'm a blonde, I'm smart and have a good job. I'm not moving until the plane arrives in Jamaica." So the two flight attendants are steaming mad and they go to the co-pilot and tell him what is going on. He comes to where the blonde is sitting and leans over and whispers something in her ear.

The two flight attendants are astonished when the blonde abruptly gets up from her seat and moves to the back of the plane. They look at each other and then the co-pilot and ask him what he told her. The co-pilot, feeling good about himself, tells them, "Oh, I just simply told the woman that the front half of the plane wasn't going to Jamaica."

005 One real difficult question

In one interview, the interviewer got impatient about one guy because he could answer all the questions so quickly and arrogantly.

"Tell me your choice," he said to the guy, "I shall either ask you ten easy questions or one real difficult. Think well before you make up your mind."

The guy thought for a while and said, "My choice is one real difficult question."

"Well, good luck to you, you have made your own choice!" said the man on the opposite side, "Tell me, what comes first, day or night?"

The guy was jolted first but he waited for a while and said, "It's the day, sir."

"How??" the interviewer was smiling (At last, I got you! He said to himself.).

"Sorry sir, you promised me that you would not ask me a second difficult question!" replied the guy.

006 First three years of marriage

Here is a joke about the first three years of marriage.

In the first year of marriage, the man speaks and the woman listens.

In the second year of marriage, the woman speaks and the man listens.

In the third year, they both speak and the neighbors listen.

007 New frog prince

Once upon a time, a beautiful, independent, self assured princess happened upon a frog in a pond. The frog said to the princess, "I was once a handsome prince until an evil witch put a spell on me. One kiss from you and I will turn back into a prince and then we can marry, move into the castle with my mom and you can prepare my meals, clean my clothes, bear my children and forever feel happy doing so." That night, while the princess dined on frog legs, she kept laughing and saying, "I don't think so."

008 How much do you want?

A businessman was interviewing applicants for the position of divisional manager. He devised a simple test to select the most suitable person for the job. He asked each applicant the question, "What is two and two?" The first interviewee was a journalist, his answer was, "Twenty-two." The second was a social worker, she said, "I don't know the answer but I'm glad we had time to discuss this important question." The third applicant was an engineer, he pulled out a slide ruler and showed the answer to be between 3.999 and 4.001. The next person was a lawyer, he stated that in a court case, two and two was proven to be four. The last applicant was an accountant, the business man asked him, "How much is two and two?" The accountant got up from his chair, went over to the door and closed it then came back and sat down. He leaned across the desk and said in a low voice, "How much do you want it to be?" He got the job.

009 It's the past tense

The teacher says, "Today, we're going to talk about the tenses. Now, if I say 'I am beautiful.' which tense is it?"

The student says, "Obviously it's the past tense."

010 God is watching the apple

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray, "Take only one. God is watching." Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies. One child whispered to another, "Take all you want. God is watching the apples."

011 An example of coincidence

The teacher asked, "Give me an example of 'coincidence'."

Student replied, "My mom and dad got married on the same date, same time."

012 Size of an infant

Jim proposed to Sandy, but prior to her acceptance, Sandy had to confess to her man about her childhood illness. She informed Jim that she suffered a disease that left her breasts at maturity of a 12 years old. He stated that it was okay because he loved her so much, Jim then said, “I too have a problem, my penis is the same size as an infant and I hope you could deal with that once we are married.” She said, “Yes I will marry you and learn to live with your infant penis.” Sandy and Jim got married and they could not wait so Jim whisked Sandy off to their hotel suite and they started touching, teasing and holding one another. As Sandy put her hands in Jim’s pants, she began to scream and ran out of the room! Jim ran after her to find out what was wrong. She said, “You told me your penis was the size of an infant! ” “Yes, it is 8 pounds, 19 inches long!” replied by Jim.

013 He made his own lunch

An Irishman, a Mexican and a blonde guy were doing construction work on scaffolding on the 20th floor of a building. They were eating lunch and the Irishman said, "Corned beef and cabbage! If I get corned beef and cabbage one more time for lunch, I'm going to jump off this building." The Mexican opened his lunch box and exclaimed, "Burritos again! If I get burritos one more time, I'm going to jump off, too." The blond opened his lunch and said, "Bologna again! If I get a bologna sandwich one more time, I'm jumping too." The next day, the Irishman opened his lunch box, saw corned beef and cabbage, and jumped to his death. The Mexican opened his lunch box, saw a burrito, and jumped too. The blonde guy opened his lunch box, saw the bologna and jumped to his death as well. At the funeral, the Irishman's wife was weeping. She said, "If I'd known how really tired he was of corned beef and cabbage, I never would have given it to him again!"

The Mexican's wife also wept and said, "I could have given him tacos or enchiladas! I didn't realize he hated burritos so much." Everyone turned and stared at the blonde's wife. The blonde's wife said, "Don't look at me. He made his own lunch."

014 You're next

A young blonde woman is distraught because she fears her husband is having an affair, so she goes to a gun shop and buys a handgun. The next day she comes home to find her husband in bed with a beautiful redhead. She grabs the gun and holds it to her own head. The husband jumps out of bed, begging and pleading with her not to shoot herself. Hysterically the blonde responds to the husband, "Shut up... you're next!"

015 Do you know who I am?"

One day a student was taking a very difficult essay exam. At the end of the exam, the professor asked all the students to put their pens down and immediately hand in their papers. The young man kept writing furiously, although he was warned that if he did not stop immediately he would be disqualified. He ignored the warning, finished the exam 10 minutes later, and went to hand the papers to his professor. The professor told him he would not take the papers. The student asked, "Do you know who I am?" The professor said, "No and I don't care." The student asked again, "Are you sure you don't know who I am?" The professor again said no. So the student walked over to the pile of papers, placed him in the middle, then threw the papers in the air. "Good!" the student said and walked out. He passed.

016 Stranded on an island

Three blondes are stranded on an island. A fairy comes along and says that she will grant each person a wish. The first blonde says she wants to be really smart so she digs and finds a cell phone and calls the Army. The second blonde says that she wants to be even smarter so she finds a flair and sets it off. The third blonde says that she wants to be even smarter than both of them, so the fairy changes her hair color to black and she says, "Let's go over the bridge."

017 Spit beer out

One day an Englishman, a Scotsman, and an Irishman walked into a pub together. They each bought a pint of Guinness. Just as they were about to enjoy their creamy beverage, three flies landed in each of their pints, and were stuck in the thick head. The Englishman pushed his beer away in disgust. The Scotsman picked the fly out of his beer, and continued drinking it, as if nothing had happened. The Irishman, too, picked the fly out of his drink, held it out over the beer, and started yelling, "Spit it out, spit it out, you bas**rd!!!!"

018 My sister's mom died

A blonde goes into work one morning crying her eyes out. Her boss concerns about his employee's well being and asks sympathetically, "What's the matter?" The blonde replies, "Early this morning, I got a phone call saying that my mother had passed away." He says, "I'm terribly sorry to hear that. Why don't you go home for the day.... we aren't terribly busy. Just take the day off to relax and rest." The blonde very calmly explains, "No, I'd be better off here. I need to keep my mind off it and I have the best chance of doing that here." The boss agrees and allows the blonde to work as usual. "If you need anything, just let me know." he says. A few hours later, the boss decides to check on the blonde. He looks out over his office and sees the blonde crying hysterically. He rushes out to her and asks, "Are you going to be okay? Is there anything I can do to help?" "No," replies the blonde, "I just got a call from my sister, and she said that her mom died too!"

019 Earthquake... tornado... fire

Three women are about to be executed. One's a brunette, one's a redhead and one's a blonde. Two guards bring the brunette forward, and the executioner asks if she has any last requests. She says no, and the executioner shouts, "Ready... Aim..." Suddenly the brunette yells, "Earthquake!! " Everyone is startled and looks around. She manages to escape. The angry guards then bring the redhead forward, and the executioner asks if she has any last requests. She says no, and the executioner shouts, "Ready... Aim..." The redhead then screams, "Tornado!!" Yet again, everyone is startled and looks around. She too escapes execution. By this point, the blonde has figured out what the others did. The guards bring her forward, and the executioner asks if she has any last requests. She also says no, and the executioner shouts, "Ready... Aim..." The blonde shouts, "Fire!! "

020 Do this to a fellow blonde

A blonde, out of money and down on her luck, needed money desperately. To raise cash, she decided to kidnap a child and hold him for ransom. She went to the local playground, grabbed a kid randomly, took her behind a building and told her, "I've kidnapped you." She then wrote a big note saying, "I've kidnapped your kid. Tomorrow morning, put \$10,000 in a paper bag and leave it under the apple tree next to the slides on the south side of the playground. Signed, A blonde." The blonde then pinned the note to the kid's shirt and sent her home to show it to his parents. The next morning the blonde checked, and sure enough, a paper bag was sitting beneath the apple tree. The blonde looked in the bag and found the \$10,000 with a note that said, "How could you do this to a fellow blonde?"

021 Got on the wrong plane

Airport security alerted an airline crew to keep an eye a blonde passenger who appeared excessively nervous and shifty-eyed. Soon after takeoff, the blonde man called a stewardess to his seat and said, "I have a live grenade in my pocket, I'll blow up the plane if you do not divert to Cairo." Perplexed, the stewardess said, "But sir, this is TWA flight 1219 to Cairo." "Damn!" replied the blonde passenger, "I got on the wrong plane."

022 Stepped out of the circle

One day, while a blonde was out driving her car, she ran into a truck. The truck driver made her pull over into a parking lot and get out of the car. He took a piece of chalk and drew a circle on the pavement. He told her to stand in the middle and not leave the circle. Furious, he went over to her car and slashed the tires. The blonde started laughing. This made the man angrier so he smashed her windshield. This time the blonde laughed even harder. Livid, the man broke all her windows and keyed her car. The blonde was now laughing hysterically, so the truck driver asked her what's so funny. The blonde giggled and replied, "When you weren't looking, I stepped out of the circle three times!"

023 Checking mail

A blonde quickly went out to her mail box, looked in it, closed the door of the box, and went back in the house. A few minutes later she repeated this process by checking her mail again. She did this five more times, and her neighbor that was watching her commented, "You must be expecting a very important letter today the way you keep looking into that mail box." The blonde answered, "No, I am working on my computer, and it keeps telling me that I have mail."

24 Go to the sun at night

A blond, a brunette, and a redhead were trying out for a new NASA experiment on sending women to different planets.

First, they called the brunette in and asked her a question, "If you could go to any planet, what planet would you want to go to and why?" After pondering the question she answered, "I would like to go to Mars because it seems so interesting with all the recent news about possible extra terrestrial life on the planet." They said, "Well okay, thank you." And told her that they would get back to her.

Next, the redhead entered the room and the NASA people asked her the same question. In reply, "I would like to go to Saturn to see all of its rings." Again, "Thank you" and they would get back to her.

Finally, the blond entered the room and they asked her the same question they asked the brunette and the redhead. She thought for a while and replied, "I would like to go to the sun."

The people from NASA asked, "Why, don't you know that if you went to the sun you would burn to death?" The blond smirked and put her hands on her hips, "Are you guys dumb? I'd go at night!"

025 parachute jumping

On the first day of training for parachute jumping, a blonde listened intently to the instructor. He told them to start preparing for landing when they were at 300 feet. The blonde asked, “How am I supposed to know when I’m at 300 feet?” The instructor replied, “That’s a good question. When you get to 300 feet, you can recognize the faces of people on the ground.” After pondering his answer, she asked, “What happens if there’s no one there I know?”

026 Telling the biggest lie

Two boys were arguing when the teacher entered the room. The teacher says, "Why are you arguing?" One boy answers, "We found a ten dollars bill and decided to give it to whoever tells the biggest lie." "You should be ashamed of yourselves." said the teacher, "When I was your age I didn't even know what a lie was." The boys gave the ten dollars to the teacher.

027 Give her another chance!

80,000 blondes meet in the Kansas City Chiefs Stadium for a "Blondes Are Not Stupid Convention". The leader says, "We are all here today to prove to the world that blondes are not stupid. Can I have a volunteer?" A blonde gingerly works her way through the crowd and steps up to the stage. The leader asks her, "What is 15 plus 15?" After 15 or 20 seconds she says, "Eighteen?" Obviously everyone is a little disappointed. Then 80,000 blondes start cheering, "Give her another chance! Give her another chance!" The leader says, "Well, since we've gone to the trouble of getting 80,000 of you in one place and we have the world-wide press and global broadcast media here, gee, uh, I guess we can give her another chance." So he asks, "What is 5 plus 5?" After nearly 30 seconds she eventually says, "Ninety?" The leader is quite perplexed, looks down and just lets out a dejected sigh, everyone is disheartened, the blonde starts crying and the 80,000 girls begin to yell and wave their hands shouting, "Give her another chance!"

Give her another chance!" The leader... eventually says, "Ok! Ok! Just one more chance, what is 2 plus 2?" The girl closes her eyes, and after a whole minute eventually says, "Four?" Throughout the stadium pandemonium breaks out as all 80,000 girls jump to their feet, wave their arms, stomp their feet and scream... "Give her another chance! Give her another chance!"

028 I wish my friends were here

There was a blonde, a brunette and a redhead, who were all stranded on an island. One day, they found a genie and he said he would grant them three wishes. All three of them agreed that each of them would get one wish each. The brunette said, "I wish I was home in my bed and that this never happened." and poof her wish was granted. The redhead said, "I wish that I was at home in my bed and this never happened." and poof her wish was granted. Then the blond said, "I wish my friends were here with me."

029 Ocean cruise

A blonde walks into a restaurant, and she goes straight to the bulletin board in the back. She looks at the bulletin board and sees a piece of paper that says, "Ocean Cruise Only \$5." She pulls the piece of paper off the wall and goes to the address listed on the back of paper. She walks into the building and hands the secretary the piece of paper. The secretary nods and asks if she has five dollars. The blonde nods and pulls five dollars out of her pocket and hands it to the secretary. The secretary looks over to a burly black guy reading a newspaper. She nods to the black guy. He stands up and knocks the blonde unconscious. When the blonde wakes up, she's tied to a log and is floating down river. She starts to think that this was a bad idea, when all of a sudden she sees one of her friends (who is also a blonde), tied to a log floating right next to her. The blonde looks at her friend and says, "So do you think they're going to serve us some food on this trip?" And the other blonde replies, "They didn't serve any last year!"

030 Working on a murder case

A blonde walks into the police department looking for a job. The officer wants to ask her a few questions. Officer, "What's $2+2$?" Blonde, "Ummmm... 4!" Officer, "What's the square root of 100?" Blonde, "Ummmm... 10!" Officer, "Good! Now, who killed Abraham Lincoln?" Blonde, "Ummmm... I don't know." Officer, "Well, you can go home and think about it. Come back tomorrow." The blonde goes home and calls up one of her friends, who asks her if she got the job. The blonde says excitedly, "Not only I got the job, I'm already working on a murder case!"

031 Without waking my wife

A man went to the police station wishing to speak with the burglar who had broken into his house the night before. "You'll get your chance in court." said the desk sergeant. "No, no no!" said the man, "I want to know how he got into the house without waking my wife. I've been trying to do that for years!"

032 Watch out for the wall

A funeral service is held for a woman who just passed away. As the pallbearers carry the casket out, they accidentally bump into a wall. They hear a faint moan. They open the casket and find that the woman is actually alive. She lives for 10 more years and then dies. They have another funeral for her. At the end of the service, the pallbearers carry out the casket. As they are walking, the husband cries out, "Watch out for the wall!"

033 Farting

I was in a restaurant once and I suddenly realized I desperately needed to pass gas. The music was really, really loud, so I timed my reliefs to the beat of the music. After just a few songs I started to feel better. I finished my coffee, and noticed that everybody was staring at me... That was when I remembered I was listening to my iPod.

034 Game about questions

A blonde and a lawyer are seated next to each other on a flight from LA to NY. The lawyer asks if she would like to play a fun game? The blonde, tired, just wants to take a nap, politely declines and rolls over to the window to catch a few winks. The lawyer persists and explains that the game is easy and a lot of fun. He explains, "I ask you a question, and if you don't know the answer, you pay me \$5.00, and vice versa." Again, she declines and tries to get some sleep. The lawyer, now agitated, says, "Okay, if you don't know the answer you pay me \$ 5, and if I don't know the answer, I will pay you \$500." This catches the blonde's attention and, figuring there will be no end to this torment unless she plays, agrees to the game. The lawyer asks the first question. "What's the distance from the earth to the moon?" The blonde doesn't say a word, reaches into her purse, pulls out a \$5 bill and hands it to the lawyer. "Okay," says the lawyer, "your turn."

She asks the lawyer, "What goes up a hill with three legs and comes down with four legs?" The lawyer, puzzled, takes out his lap top computer and searches all his references, no answer. He taps into the air phone with his modem and searches the net and the library of congress, no answer. Frustrated, he sends e-mails to all his friends and coworkers, to no avail. After an hour, he wakes the blonde, and hands her \$500. The blonde says, "Thank you," and turns back to get some more sleep. The lawyer, who is more than a little miffed, wakes the blonde and asks, "Well, what's the answer?" Without a word, the blonde reaches into her purse, hands the lawyer \$5 and goes back to sleep.

035 I'm just looking around

A blind man with a seeing eye dog at his side walks into a grocery store. The man walks to the middle of the store, picks up the dog by the tail, and starts swinging the dog around in circles over his head. The store manager, who has seen all this, thinks this is quite strange. So, he decides to find out what's going on. The store manager approaches the blind man swinging the dog and says, "Pardon me. May I help you with something?" The blind man says, "No thanks. I'm just looking around."

036 African roulette

An African ambassador visited Russia and was entertained by his opposite number, the Russian ambassador. For three days, the African ambassador was wined, dined, and generally treated to the best hospitality that Russia had to offer. On the last day of his visit, the Russian ambassador said, "As your stay is coming to an end, it's time for you to play our traditional game, Russian roulette. One of the six chambers of this gun is loaded, you spin the cylinder, point the gun at your head, and pull the trigger." This phased the African slightly, but he was a proud man of a warrior people, and to show fear would be unthinkable. Both men took their guns, spun, and pulled the triggers. Both chambers were empty, and both ambassadors breathed a sigh of relief. The African ambassador was impressed with the courageous game, and thought hard about the subject before the Russian Ambassador was due to visit his country the next year.

When the visit came, the African ambassador treated the Russian with all hospitality, until the final day of his stay. Leading him to a private room in the palace, the African ambassador spoke, "Now, time for you to try our game, African roulette." He then led the Russian into the room, the only occupants of which were six stunning and naked women. The African ambassador said, "These women are the most beautiful members of our tribes. Any one of them will give you an oral sex, take your pick." The Russian was not entirely averse to this idea, but he couldn't see the connection with Russian roulette. He said, "Well, ok, great, but where's the roulette part? Where's the danger?" With a big grin on his face, the African ambassador answered, "One of them is a cannibal."

Astrologically, I observe that Saturn is in Leo. Horologically, I deduce that the time is approximately a quarter past three. Meteorologically, I suspect that we will have a beautiful day tomorrow. "Uh, yeah. Sorry about that." the husband replied.

"No, actually I want to thank you. I'm a genie that was trapped for a thousand years in that bottle. You've released me. I'm allowed to grant three wishes.

I'll give you each one wish, and I'll keep the last one for myself."

The husband said, "Great! I want a million dollars every year." "No problem, it's the least I could do. And you, what do you want?" the genie said, looking at the wife. "I want a house in every country of the world." she said.

"Consider it done." the genie replied.

"You know what, genie, maybe we can repay you by making one of your wish come true... what's your wish, genie?" the husband said. "Well, since I've been trapped in that bottle, I haven't had sex with a woman in a thousand years. My wish is to sleep with your wife." the genie said.

The husband looks at the wife and said, "Well, we did get a lot of money and all those houses, honey, I guess I don't care." The genie took the wife upstairs and ravished her for two hours. After it was over, the genie rolled over, looked at the wife, and said, "How old is your husband, anyway?" "35." she replied.

"And he still believes in genies, that's amazing!" the genie said.

He placed them in separate rooms and handed each of them a test booklet, and told them to begin. They looked at the first problem, worth 5 points. It was the easiest question in their entire syllabus. "Cool," they thought at the same time, each one in his separate room, "this is going to be easy." Each finished the problem and then turned the page. On the second page was written (For 95 points): "Which tire?"

She replied, "Do you remember that you wanted the new position of your job, and they were going to pass you over for someone else? Well, I went to bed with the president and the vice president and they gave you the job."

The man said, "Hell, I thought I did it on my own. But, then again, I guess I should be grateful. And so, what about the third time?" She replied, "Do you remember two years ago when you wanted to become president of the baseball team, and you were missing 53 votes..."

With a compass, the patient locates north and with a steel ruler, measures the precise length of the shadow cast by the stick. Withdrawing a slide rule from his pocket, the patient calculates rapidly, then swiftly packs up all his tools and turns back to the pedestrian, saying, "It is now precisely 3:29 p.m., provided today is August 16th, which I believe it is."

The man can't help but be impressed by this demonstration, and sets his watch accordingly. Before he leaves, he says to the patient, "That was really quite remarkable, but tell me, what do you do on a cloudy day, or at night, when the stick casts no shadow?" When I have a migraine, I go home, get in a nice hot bathtub, and soak for a while. Then I have my wife sponges me off with the hottest water I can stand, especially around the forehead. This helps a little. Then I get out of the tub, take her into the bedroom, and even if my head is killing me, I force myself to have sex with her. Almost always, the headache is immediately gone. She went to a pet shop and immediately spotted a large beautiful parrot. She went to the owner of the shop and asked how much. The owner said it was \$100. Delighted that such a rare looking and beautiful bird wasn't more expensive, she agreed to buy it. The owner looked at her and said, "Look, I should tell you first that this bird used to live in a whorehouse. Sometimes it says pretty vulgar stuff." The woman thought about this, but decided she had to have the bird. She said she would buy it anyway. The pet shop owner sold her the bird and she took it home. She hung the bird's cage up in her living room and waited for it to say something. The bird looked around the room and then said, "New house, new madam." The woman was a bit shocked at the implication, but then thought that's not so bad.

The Consul told him, in most cases the person responsible for the remains normally decided to bury the body here in Jerusalem, this would only cost him \$1,000. George thought for some time and answers, "I don't care how much it will cost to send the body back, that's what I want to do." The Consul said, "You must have loved your mother-in-law very much." "No, it's not that," says George, "you see, I know of a case, many many years ago of a man that was buried here in Jerusalem. On the third day he arose from the dead! I just can't take that chance!"

For this, you will drive around heaven in an old beat up Dodge." Next St. Peter looked at John and said, "You, were not so evil, but you still cheated on your wife two times. For this, you will forever travel around heaven in a Toyota station wagon." St. Peter finally looked at Sam, and said, "You, Sam, have set a fine example.
